LECO is a registered trademark of LECO Corporation.

SUBJECT: INSTRUMENTATION SUPPORT STATUS

LECO will continue to service the instruments listed below through December 31, 2006 provided that parts are available. LECO will discontinue all field and in-house repair of these units and their associated sub-components effective January 1, 2007.

This decision is necessitated by the growing number of parts no longer available to LECO by its suppliers and shortage of stock item parts.

SEPARATION SCIENCE

SENSAR/JAGUAR

Support of these units after January 1, 2007 will be limited to telephone help only by our LECO St. Joseph, Michigan telephone staff.

LECO Corporation presently manufactures state-of-the-art separation science instrumentation for replacement of the systems listed above. Please contact your LECO Sales Engineer for details.

Very truly yours,

LECO Corporation
