NOTICE OF OBSOLESCENCE

Dear LECO Customer,

The LECO Service Department is sending this notification to alert you of our upcoming product obsolescence. Due to changes in technology and unavailability of parts, LECO cannot fully support the following instruments listed below or their associated subassemblies.

PEGASUS CE 10ML STL 230V 614-100-700

LECO will continue to service the above listed instruments until **APRIL 1, 2011**. Beyond this date, LECO will be unable to offer any maintenance, repairs, or service contract agreements. Support will be limited to phone and email assistance only.

While LECO is committed to providing the best products and support in the industry, we sincerely regret having to take such action. We hope this advanced notification of obsolescence will provide you with time to investigate your options as you move forward.

If you have any questions regarding this obsolescence notification or would like to discuss your options moving forward, please feel free to **contact LECO Corporation or your local LECO Sales Engineer**.

Thank you for your loyalty and continued support of LECO Corporation.
